

Watercolor & More Supply List

Watercolor paints, brushes, water container, paper towels and pencil.

Oil pastels and a permanent black pen if you want to experiment with some mixed media.

Two or three 11x15 inch or larger sheets of 140 lb cold press watercolor paper. I strongly recommend Arches watercolor paper for best results with wet on wet and blending techniques. I will have Arches 140 # watercolor paper available for purchase at the class for \$3 / 11 x 15 piece.
